Subject: Choice Based Credit System (CBCS): Results and Grade Card/Transcripts

Dear Sir/Madam,

As you are aware, the Choice Based Credit System (CBCS) has been implemented at the Undergraduate Level w.e.f from the academic session ~~2015-2016~~ onwards.

With reference to the above, I am to inform you that the results for the various undergraduate courses under the CBCS shall be notified by the examination wing based on letter grades and SGPA which shall be computed using the formula recommended by the UGC and on the basis of the scheme of examination, University of Delhi. ***The guidelines comprising of the formula for the conversion of percentage of marks into letter grades and the computation of SGPA and CGPA along with all other information related with CBCS is available on the University Website which may be taken for reference.***

The students after the declaration of results, shall be issued a grade certificate/transcript based on the grades earned and shall display the course details along with the SGPA of the concerned semester. The Grade Card/Transcript shall be available on the University Website in a downloadable form as has been the practice followed for the statement of marks for the erstwhile FYUP and three year semester courses for a specific period.

You are requested to kindly inform the students to take print of their score card/ transcript from the University Website and preserve sufficient copies of the same for future use since the score card/transcript shall be available on the website for a limited period only. The information shall be notified on the college website and prominently on the college noticeboard to facilitate the students.

With regards,

Rup Lal
