Action Taken Report of the Virtual Meeting of the Internal Quality Assurance Cell

Saturday, 10th October 2020

At 9.00 A.M through Google Meet

Up-gradation of the IT Infrastructure

The IQAC, in its meeting held on 10th October 2020, decided to upgrade the IT infrastructure of the College. Accordingly, two rooms, that is Room no.1 and Room no. 2 have been converted into smart classrooms, with a duplex channel. These smart classrooms are equipped with communication systems that permit two way connectivity, wherein the teachers can communicate with the students in an online format and the students can respond on a real-time basis, resulting in a complete communication loop during the teaching-learning process. Furthermore, the College is in the process of equipping the Seminar Room with a Smart TV Board/Backdrop for video conferencing, presentations and training programmes. Number of demonstrations from different vendors have been seen and are under active consideration.

Standard Operating Procedure (SOP) during the pandemic

The IQAC, in its meeting held on 10th October 2020, resolved to follow the precautionary guidelines as given by the Government of India for control and management of COVID-19. The College follows all the measures as per relevant notifications from the University of Delhi and the Government of India.
