Revised Admission Criteria: Admission Batch 2020-2022

Announcement of the Admission Criteria for Post Graduate Diploma in Global Business Operations (PGD GBO)

In view of the unprecedented situation due to the on-going COVID19 pandemic, the merit lists for selected candidates for admissions to PGD GBO Batch 2020-22 would be decided based solely on his/ her performance in the written test.

The entrance-based admission will have 100% weightage of the Overall Selection Criteria. The Admission to the course will not have the component of Group Discussion and Personal Interview. The decision has been taken keeping in mind a very small window that is now available for the completion of the admission process 2020-21.

This decision is a one-time decision necessitated on account of on-going unprecedented circumstances.
