BUSINESS ANALYST

JANUARY—JUNE 1968

Vol. I.

No. 1.

Business Analyst is published twice a year in July and January by the
Shri Ram College of Commerce, Patel Marg, Delhi-7.

It exposes business and economic phenomena to modern tools of analysis. Its avowed objective is to promote research in these fields and to encourage stimulating articles. Persons engaged in studying complex business and economic problems are invited to submit their manuscripts and thus join hands with us in developing a forum so conspicuously non-existent in this country. Since the journal provides full analytical freedom to writers, the editors and the editorial Board do not accept any responsibility for conclusions and findings derived from empirical evidence. All editorial correspondence may be addressed to :
