Business Analyst is an academic journal of India's pioneering institution Shri Ram College of Commerce. The journal endeavors to disseminate knowledge in the area of business, economics and management. It aims at promoting research in these areas and encourages empirical and inductive writings. It is catalogued in the 'Library of Congress', Washington, D.C.

Business Analyst is a refereed and reviewed journal, published twice a year in the months of March and September and is listed in Ulrich's International Periodicals Directory.

This is a special edition of Business Analyst incorporating some of the outstanding papers presented at the Asian Conference on Corporate Governance and Business Sustainability jointly organised by Shri Ram College of Commerce and Assumption University, Bangkok, Thailand on October 7-9, 2013.

All correspondence relating to publication of the journal should be addressed to :
