## CIRCULAR

In line with the vision of the Government of India to make country a cashless society, the college has taken a lead to make itself a 'Cashless College' and become catalyst for change in the academia.

The Cashless College is an initiative to promote financial receipts and payments within the college through different electronic modes, seamless payment based services, and e-governance in financial area.

The College has launched Cashless College initiative from January 11, 2017. In this initiative all service providers in the college like Canteen, Stationery Shop, Photocopier Outlet, and Tea Kiosk will provide cashless transaction facilities for their services. The college students can deposit their fees through Fee Payment Gateway at the College website [www.srcc.edu](http://www.srcc.edu). The students can also deposit amount with the college for different purposes through POS machine installed at College Accounts Office. The payments to students for scholarships, reimbursements, advances, etc. will be made through their bank account.

For the above, multiple options, like VIS, Debit / Credit Card, SBI Buddy, Paytm, BHIM Application, Aadhar-based, etc. medium can be adopted by the members of college fraternity.

The 'Vittashala', Financial Literacy Society of the College, is acting as a nodal Society to promote 'Cashless College' initiative.

The following students members can be contacted for assistance and promoting the campaign - Vaishnavi Paul (9818417334), Saumya Bansal (9582059818) and Prashat Jangir (9717906629)
