A hearty welcome to the University of Delhi!

Ever since its inception in 1922, DU – the popular name of the University of Delhi – has distinguished itself as the premier institution of higher education in India. Located in the capital city of India, the University is a beacon of knowledge for the nation and has been recognised as a metaphor for excellence in tertiary education.

Functioning from two campuses – the North and the South – the University and its colleges straddle the length and breadth of Delhi and serve as a vibrant space not only for intellectual discourses but also for cultural interaction. With 91 Colleges, 16 Faculties, 86 Departments, 20 Centres, and 03 Institute, the University is committed to offering exceptional educational opportunities through a wide range of courses in almost all domains of knowledge with outstanding faculty, advanced curricula, avant-garde pedagogy, comprehensive extracurricular activities, and cutting edge infrastructure.

As the alma mater of a great many alumni, who have distinguished themselves in multifarious spheres of human endeavour, the University is endowed with a vast pool of intellectual resources. The University takes great pride in having moulded a number of heads of foreign states, and one of India's Prime Ministers, with another one having graced its faculty. Many of India's best-known litterateurs, intellectuals, scientists, economists, legal luminaries, civil servants, defence personnel, politicians, sports persons, film personalities, journalists, and business leaders have been students or faculty members of this institution.

No wonder our colleges find themselves at the top of various all India rankings instituted for higher education institutions. The year 2019 has been significant for us as the University has been conferred with the prestigious Institution of Eminence (IoE) status by the MHRD. It has also improved its performance in QS World University ranking by subjects by figuring in top 50 to 200 institutions globally.

As a global leader in knowledge creation and dissemination, the University of Delhi has envisioned a unique trajectory for the 21st century by tapping the transformative power of liberal arts, social sciences and state-of-the-art science and technology education and research. As the University starts broadening its research horizons under the Institution of Eminence scheme by establishing a number of research-based institutions having interdisciplinary/multidisciplinary approach, we are confident it will give an opportunity to our students to be proactive and to face the challenges of this century with much maturity and inventiveness.

In this journey of institutional excellence, we remain firmly devoted to educating the leaders of the future by building and sustaining an academic ambience that enables students from all corners of the country and the world to realize their potential without any barriers. Our robust admissions system is committed to full transparency and remains insulated from any malpractices and biases ensuring the selection of the candidates having the strongest potential, meeting all selection criteria.

While the University has in place a range of regulatory policies and practices, we go beyond the call of these obligations to meet societal aspirations. We are fully sensitized towards the constitutional provisions and values and are committed to meet them in letter and spirit.

As you consider applying to the University, we would like to assure that your academic pursuit will be in environment that provides wholesomeness, security, and inclusivity keeping in minds the individuality, convenience and safety of each one of you. We, at the University of Delhi, are committed to lifelong learning and hold dear our institutional and individual attributes of honesty, integrity, kindness, compassion, altruism and ethics. Upholding our core cultural philosophy of *Vasudhaiva Kutumbakam* (the world is one family), the University is devoted to nation-building through abjuring violence and adhering to the constitutional and universal values of fraternity and expects you to become the propagators of these values.

I invite you to be a part of this venerable University and partake in this vibrant and thrilling journey towards endless opportunities.

Such cancellations wherein the applicant seeks readmission in another merit-based college/course option may be attempted only in subsequent list onwards. Within a cut-off the applicant will not be allowed to change his/ her choice of course and college. The total number of cancellations will be restricted to (n-1) where "n" is the total number of Cut-off Lists.

iv. Once an applicant has cancelled his/ her admission, he/ she cannot be re-admitted to that course/college automatically, and must undergo the admission process anew, subject to availability of seats and the applicant meeting course-specific eligibility requirements.

v. When the applicant cancels their previous admission in the subsequent Cut-Off List, the refunded fee amount will be visible in the "Wallet" section of the Dashboard. A cancellation fee of Rs. 1,000 (Rupees One thousand only) will be deducted and this will be reflected in the refunded amount visible in the "Wallet".

vi. Through the Dashboard after the subsequent admission is approved, the admission fee will be adjusted automatically and the applicant will have to pay only the balance fee if it is more than the fees already paid at the previous college. If the fee in the latter college is less, the balance will be refunded to the applicant?s account or to an account declared by the applicant as per the College/University rules after the admissions are closed.

In case of any change in the admission process for Merit based UG admission, it will be notified on the website of the University of Delhi. All aspirants must register online as per the procedure and schedule that will be notified on the University of Delhi website (www.du.ac.in).

NCWEB facilitates the female students of NCT Delhi to take University of Delhi examinations with special coaching once a week without attending the regular classes. NCWEB has emerged as an important academic option for female students.

The NCWEB is now established in 26 UG centres and one PG centre, with approximately 32,000 students. The 26 UG centres run in various colleges of University of Delhi.

The NCWEB UG students are permitted to finish their B.A./B.Com. three year UG degree courses in 6 years. The Board provides library facility to all undergraduate students in the respective Teaching Centres. The Board gives financial aid and book loan facility for the academic year to the needy and deserving students.

There are 50 teaching days in an academic session year, held either on Saturdays or Sundays and during the academic breaks of the University of Delhi. At the Under-graduate centres, classes are held between 9:00 am to 4:00 pm.

The students are encouraged to take part in various activities like skill development workshops, placement drive for employment, health camps, environment awareness. Various cultural and extracurricular activities impart an opportunity to students to showcase their talents. In the direction to achieve a new horizon for women's education, NCWEB is taking small, but confident steps to reach its goal of empowering women. In view of the above, a student of B.A. (Programme) can opt for English language as his or her one of the core paper and also opt for English as Ability Enhancement Course under A,B or C Scheme.

12. The syllabi of Courses under which admissions have been taken in the current session which are not prepared by the departments will be prepared and approved by respective Faculties at the earliest and submitted for approval of the Vice-Chancellor.

13. The student of B.Sc. (Hons.) Botany and B.Sc. (Hons.) Zoology must opt one or two General Elective papers offered by Department of Chemistry so that their eligibility for admission in P.G. Courses in various institutions is not hampered.

14. Similarly, students admitted under B.Sc. Programme and willing to pursue Post-graduation in Physics/Chemistry/Electronics must opt a paper of Mathematics as General Elective, if Mathematics is not one of the Core discipline being studied.

15. The students of B.Sc. (Hons.)/B.A.(Hons.)/B.Com (Hons.) in order to be eligible for Post-graduate in another discipline may opt for the General Elective of a particular subject in each semester to earn 24 credits in the concerned discipline.

16. The Universities/Institutes may offer any number of choices of papers from different disciplines under Generic Elective and Discipline Specific Elective as per the availability of the courses/faculty.

17. Universities/Institutes may evolve a system/policy about Extra Curricular Activities/ General Interest and Hobby Courses/Sports/NCC/NSS/Vocational courses/related courses on their own.

18. A student can opt for more number of Elective and AE Elective papers than proposed under the model curriculum of UGC. However the total credit score earned will not exceed 160 credits for UG Honours and 140 credits for UG Program degree.

19. The new scheme of UG courses should be given due consideration while framing the admission eligibility requirement for PG/ Technical courses in Indian Universities/Institutions to ensure that students following inter and multi-disciplinary format under CBCS are not at a disadvantage. It is suggested that wherever required, obtaining 24 credits in particular discipline may be considered as the minimum eligibility, for admission in the concerned discipline, for entry to PG/Technical courses in Indian Universities/Institutions.
