GLOBAL BUSINESS OPERATIONS PROGRAMME

GBO HANDBOOK
2021-2022

Founder of the College
SIR SHRI RAM
1884-1963

The Founder of Shri Ram College of Commerce was born on April 27, 1884. First son of Madan Mohan Lal and Chando Devi, Shri Ram completed his school and college education in Delhi and joined the family business DCM in 1900. In 1920 he established the Commercial Education Trust to promote business education and in 1926 the Commercial College came into being.

On its silver jubilee in 1951, this college was renamed after the founder as Shri Ram College of Commerce. SRCC remains an institution founded with a vision of fostering meaningful education in the fields of business and economics.

Life @ GBO

INTRODUCTION

The movement towards a market-oriented economy with expansive business frontiers creates new challenges. Management strategies must address themselves to the twin phenomenon of managing diversity and convergence of business operations across the world. These contemporary requirements of world trade and commerce need able human resource inputs that can understand and relate to the contemporary business environment. It is within the scenario of a new and dynamic business environment that Shri Ram College of Commerce has introduced the two-year, Post-Graduate Programme in Global Business Operations. The aim of the course is to deliver quality management education for excellence in international business. Global Business Operations (GBO) Programme's main objective is to provide students with advanced practical expertise in areas such as Human Resources Management, Accounting and Finance, Trade, Transnational Marketing and Information Technology. The GBO Programme endeavors to combine insights from a number of different academic disciplines and functional areas.

The course adopts a multi-organisational objective and in the process motivates students to appreciate the complex and rapidly changing environment. The seminars, case studies, role-play, management games, quizzes and projects undertaken also emphasize this perspective. The course has a contemporary curriculum which has been designed keeping in mind the requirements of industry and includes subjects such as industrial organisation and game theory, international investment management, international financial system, transnational marketing, taxation and business policy, procedures and logistics for global trade, social and ethical issues in business, international trade blocks and agreements etc.

The GBO Programme is unique one that serves as an effective stepping-stone for achievers who dream of competitive excellence in a globalised world. It is a challenge meant for a handful and assured students and promises to reward as well as add value to their potentials.

SHRI RAM COLLEGE OF COMMERCE

THE COLLEGE

Shri Ram College of Commerce (SRCC) is a premier institution specializing in the fields of business and economics studies. Rated as a favoured destination for talented youngsters across the country, the college has been accorded an A+ Grade by the National Assessment and Accreditation Council. A constituent college of the University of Delhi, founded in 1926 by Sir Shri Ram, a leading philanthropist and businessman, the College has celebrated its 90th anniversary in the academic year, 2016-17.

Infrastructure

The college is spread over a 16-acre campus. The main building is centrally air-conditioned. All classrooms are fitted with LCD Projectors and screens. The college building has been declared a Heritage Building in 2006-07 with its art-deco architecture. A clock-tower atop a circular façade with a colonnaded verandah, the building looks distinctive in its 60-year-old redbrick splendor. The college has a seminar room, an auditorium, separate hostels for boys and girls and a cafeteria for the college community. A new 200-seater girls hostel is coming up to accommodate our outstation students.

Courses

SRCC offers B.Com (Hons.) and B.A. (Hons.) Economics at the undergraduate level, and M.Com and PG Diploma in Global Business Operations (GBO), at the post-graduate level. The GBO Programme is a unique course in the University of Delhi offered only at SRCC for the last nineteen years on international business management.

Faculty, Students, Alumni

The college faculty members are widely known for their publications. Reputed authors have carried the SRCC classroom across the country enhancing the brand of the institution. Students come from almost every region across the country, lending the diversity and inclusion that is essential for meaningful and wholesome learning. Students admitted are undoubtedly the best in their field and after their learning experience in the college have progressed to diverse areas from banking to governance, creative areas like films and fashion or academics. Prominent alumni include Mr. Arun Jaitley, Union Minister for Finance and Corporate Affairs, Justice Arjan Sikri, Justice of the Supreme Court, Mr. Aniljit Singh, Max India, Mr. Pramod Bhasin, Genpact, Mr. Rajiv Memani, Ernst & Young, Mr. Rana Kapoor, Yes Bank, Mr. Rakeysh Omprakash Mehra, Mr. Gulshan Grover, Ms Nimrat Kaur, from cinema and many others.

International Conferences

SRCC has been organizing international conferences abroad through collaboration with several foreign universities. Since 2013, five International Conferences have been held at Rwanda, Kigali (Africa), Bangkok, Thailand (Assumption University), Cardiff, UK (Cardiff University), Saginaw, Michigan, US (Saginaw Valley State University) and Windhoek, Namibia (University of Namibia). The college has several international collaborative arrangements with universities abroad.

GLOBAL BUSINESS OPERATIONS PROGRAMME

Course Description

With economic liberalization and globalization, India has emerged as an integral part of the world economy. Many Indian corporations now operate abroad and several MNCs have Indian set-ups. This has created a strong demand for well-educated professionals who can go beyond managing needs of domestic business and work effectively and efficiently in differing and continually changing international environment. As a consequence, knowledge of international business operations is now an essential component in the corporate sector. The Global Business Operations (GBO) Programme is designed to provide a thorough knowledge of global business with emphasis on the implications of international business and the specialisation required in carrying out business activities across national frontiers. The unique pedagogy of Global Business Operations Programme (GBO) rests in making transfer of knowledge a two way process, where students are encouraged to actively participate in their learning rather than being passive recipients of course content. Our teaching philosophy is committed to preparing students to face real world challenges and we aspire to achieve this by through our participatory learning exercises and group activities. Not only these exercises mirror the complex decisions that managers have to make and strive to provide them with the required skill set to

survive in the extremely competitive business environment of the modern world. What is more, these activities are as much fun as they are educational in nature.

Some such teaching methods central to our programme include:

- Case Studies
- Simulation Games
- Collective Group Exercises
- Experiential Exercises

Another highlight of the programme is inclusion of psychometric profiling in the curriculum. Needless to say, no two individuals are alike—we take varied approaches to work, have different responses to stressful conditions etc. A key path to knowing one's points of strengths and spaces for improvement comes through an awareness of oneself. At GBO, we believe that the business leaders of tomorrow would tremendously benefit from knowing their personality dispositions, preferences and skill sets. We conduct several psychometric

assessment, feedback and counseling sessions that cater to developmental needs of the students. Students are encouraged to make full use of these sessions. The restructured course will further strengthen with the establishment of Global Business Lab, introduction of pre and post-semester proficiency courses, global professional development seminars, study abroad opportunities (global exchange programmes, global business cooperative programmes, SRCC volunteer abroad programmes and global community outreach programmes), foreign language proficiency, industry linkages (reciprocal visits, research projects, consultancy and knowledge transfer, design and development of new programs and work-based learning) and global accreditation.

INFORMATION ABOUT THE SEMESTERS

SEMESTER I

- 1.1 Indian Business Environment
- 1.2 Economics for Managers
- 1.3 Financial Management
- 1.4 Principles of Marketing
- 1.5 Quantitative Techniques-I
- 1.6 Organisational Psychology
- 1.7 Computer Applications in Business-I

SEMESTER II

- 2.1 Global Business Environment
- 2.2 Quantitative Techniques-II
- 2.3 Accounting for Business-I
- 2.4 Legal Environment for Global Business
- 2.5 Computer Applications in Business-II
- 2.6 India's Foreign Trade and Policies
- 2.7 Cross-cultural Buying Behaviour

SEMESTER III

- 3.1 Summer Training and Project
- 3.2 International Financial System
- 3.3 Transnational Marketing
- 3.4 Documentation for Global Trade
- 3.5 Human Resource Management
- 3.6 Accounting for Business-II

SEMESTER IV

- 4.1 Business Policy and Strategic Management
- 4.2 International Financial Management
- 4.3 International Trade-Blocks and Agreements
- 4.4 Procedures and Logistics for Global Trade
- 4.5 International Investment Management
- 4.6 Social and Ethical Issues in Business

Select Add-on Courses are offered by the College keeping in view the requirements of the students.

- Managerial Communication
- Macro Economic Analysis in the Global Context
- Derivatives & Risk Management
- Foreign Language
- Financial Analysis through Excel & SPSS
- Financial Statement Analysis
- R- Language

SEMESTER

I

1.1 INDIAN BUSINESS ENVIRONMENT

The impact of economic and social environment of a country on its business activity is undeniable. The aim of the paper is to acquaint the participants with changes in environmental forces and in government policy in India, and their impact on business activity in the country.

1. Business Environment in India; The International Economic Environment; The Domestic Economic Environment; The Legal Environment; Ecological concerns.
2. Government and Business in India; Structural features of the Indian economy.
3. Monetary and Fiscal system in India. The Banking and Credit Structure; Financial Institutions; The Fiscal System.
4. Inward-looking vs. Outward-looking strategy of industrialization; Economic Planning in India (with special reference to resource mobilization).
5. Economic Reforms: Fiscal Reforms; Industrial Policy and Labour Policy Reforms; Trade Policy Reforms; Financial Sector Reforms.
6. Infrastructure: Energy, Transport and Telecommunications.
7. The Indian Macroeconomic Scene: Assessment and outlook.

Suggested Readings

- a) Panagariya, Arvind (2010) India: The Emerging Giant, Oxford University Press.
- b) Acharaya, Shankar and Rakesh Mohan (2010) India's Economy: Performance and Challenges Oxford University Press.
- c) Eichengreen, Barry and Poonam Gupta (2011), "The service sector as India's road to economic growth", National Bureau of Economic Research, Massachusetts Avenue, Cambridge.
- d) India Infrastructure Report (2011), Policy and Performance for Sustainable Development, OUP
- e) Government of India, Economic Survey, Ministry of Finance, Delhi. (Latest)
- f) Mehta, Pratap Bhanu and Devesh Kapur (2009) Public Institutions in India, OUP
- g) Wild, John J. and Kenneth L. Wild (2011) International Business: The Challenges of Globalization, Prentice Hall.

1.2 ECONOMICS FOR MANAGERS

The aim of the paper is to expose the participants to latest developments in economics relevant to managerial decision-making, and acquaint them with a set of analytical methods to solve business problems within the thought frame of economics.

1. Demand, Supply and Price: Law of demand and supply, shortages and surpluses; interfering with law of supply and demand, shifts in demand and supply curves, sensitivity to price changes - price elasticity and revenues, consensus on determination of prices, tax policy and law of demand and supply, demand forecasting.
2. Cost: Short-run vs long-run cost and average cost curves; total, average and marginal cost functions, cost minimisation, marginal costs and sales tax, reduction and cost recovery, importance of labour costs, least cost combination of inputs, marginal cost pricing and social welfare.
3. Production: Production function, theory of production, isoquant maps, law of diminishing marginal returns, increasing returns to scale. Basic conditions of competitive supply, entry, exit and market supply. Objective of profit maximisation and revenue maximisation, accounting profit and economic profit, sunk costs, entry and competition.
4. Price Output Relations under Different Market Structures: Theory of competitive firm, Basic model and looking beyond the basic model of competition, market failures and role of government.
5. Monopoly: Monopoly profits, price discrimination, natural monopolies, monopolistic competition, number of firms in the industry, product

differentiation, barriers to entry, government policies.

6. Oligopoly: problem of self enforcement, problem of coordination, problem of entry, price fixing, price and output competition, Cournot competition, Bertrand competition, kinked demand curves.
7. Market Power and Domination: A cartel model and its pricing strategy. Why do most cartels fail? Dominating firm-a model of passive reaction. Dominating firm-a model of active reaction. Large firms vs potential new competitors, entry deterrence, pricing to deter entry, concentration measures, mergers, entry barriers.
8. Advertising: Advertising cost, theory of advertising, persuasive advertising, information advertising, targeted advertising, comparison advertising, advertising regulations, advertising and competition.
9. Factor Pricing: Labour market environment, employment, labour, costs, skills, industrial relations, interest-market for loanable funds, profit-market for risk, risk incentive trade-off, entrepreneurship.
10. Non co-operative Game Theory: Normal form games, Nash equilibrium, iterated elimination of strictly dominated strategies, mixed strategies, extensive form games, repeated games, and games with imperfect competition, games theory and collusion, quality signaling games.

Suggested Readings

- a) Hubbard, R. Glenn and Anthony P. O'Brien (2012) Microeconomics, Prentice Hall.
- b) Varian, Hal (2010) Intermediate Microeconomics: A Modern Approach, W.W. Norton & Co.
- c) Pindyck, Robert S., Daniel L. Rubinfeld, and Prem. L. Mehta (2009) Microeconomics (7th Edition), Pearson Education,
- d) Salvatore, Dominick (2011) Managerial Economics in a Global Economy Oxford University Press.
- e) Shy Oz (1995) Industrial Organisation: Theory and Applications, MIT.
- f) Gerlowski, A.C.S. (1996) Managerial Economics and Organisation, Prentice Hall.

1.3 FINANCIAL MANAGEMENT

The aim of the paper is to provide basic knowledge about financial management. The paper is structured around decision making in the three inter-related financial areas: investment-short term as well as long term, financing, and dividend policy.

1. Introduction: Meaning, scope and objectives. Liquidity and profitability. Time value. Financial Planning.
2. Financial forecasting: Techniques- FF analysis, Cash Flow Analysis, Ratio Analysis and projected Profit and loss statement.
3. Capital Budgeting: Concepts, types, importance. Cash Flows. Investment evaluation methods. Decision-criterion. Cost of capital-specific and weighted. Risk analysis in capital budgeting.
4. Financial Decisions. Concept of valuation, financial leverage, theories of capital structure. Optimal capital structure. Determinants of capital structure in practice.
5. Dividend and Retention Policies: Importance and relevance of dividend policy. Theories of dividend decision. Determinates of dividend policy in practice.
6. Working Capital Management: Concept and importance. Operating cycle. Working capital needs and their determinants. Management of cash, receivables and inventory.
7. Sources of Finance: Sources of long-term finance, new-issue markets, regulatory framework, venture capital. Sources of short term finance - bank credit, trade credit, bill of exchange.

- f) Cio Chetto, Lynne (2011) Globalisation and Advertising in Emerging Economies, Routledge, London.

1.5 QUANTITATIVE TECHNIQUES I

The paper aims at acquainting the participants with the scientific methodology of solving complex managerial decision-making problems through statistical techniques.

1. Calculus: Functional Relationships, Differentiation, Integration, Partial differentiation Applications to Business. Time Discounting: Interest and Depreciation. Present value and Investment Appraisal. Annuities. Cash Flows. Matrices: Definition of a matrix. Types of Matrices. Operations on Matrices. The Inverse Matrix. Matrix Equations. Input-Output Analysis.
2. Statistical Data Presentation. Statistical Measures: Measures of Average, Dispersion and skewness.
3. Correlation and Regression: Correlation, Product-Moments Coefficient of correlation. Regression. Bivariate Frequency Distributions. Rank Correlation.
4. Index Numbers: Price and Quantity Relative. Methods of construction. Weighted Index Numbers. Chain Index.
5. Time Series: Components of Time series. Moving Averages. Linear and Quadratic Trend. Seasonal Adjustment. Forecasting.
6. Probability: Set Theory and Enumeration. Introduction to Probability Permutation and computation. Conditional Probability. Inverse Probability.
7. Distributions: Binomial, Poisson and Normal.
8. Decision Theory: Decision Trees
9. Sampling and Significance Tests: Types of Sampling. Sampling distribution and Standard Error. Significance tests based on Mean and Proportion. Chi-square Test. F-test, Non-parametric Tests

1.6 ORGANISATIONAL PSYCHOLOGY

The objective of this paper is to provide broad understanding about basic concepts and techniques related to the study of human behaviour in work environment so as to equip the participants to manage behavioural aspects of international business.

1. Concept and Nature of Psychology in behaviour in Organisations. Psychological Foundations of Organisational Behavior, Perceptual processes, Learning, Values and Attitudes. Work Motivation, Stress, Leadership and Influence process.
2. Systems Approach to understanding organisations.
3. Organisations Culture & Climate
4. Group Dynamics. Organisational Change. Organisational Development. Conflict Management. Team Building, Stress Management.
5. Organisational Creativity and Innovations.
6. Power and Politics in Global Corporations. Behavioural issues in managing across cultures and countries.

Suggested Readings

- a) Luthans, F. (2004) Organisational Behaviour, McGraw Hil.
- b) Dan S. Cohen (2009) Make It Stick: Embedding Change in Organizational Culture, Harvard Business School Publication.
- c) Sandra J. Sucher (2010) Note on Human Behavior: Differences at work: The Leadership Challenge, Harvard Business School Publication.
- d) Michael, Beer (2009) Leading Change, Harvard Business Publishing.
- e) Pareek, U. (2011) Understanding Organizational Behavior, Oxford University Press, New Delhi.

1.7 COMPUTER APPLICATIONS IN BUSINESS I

The objective of this paper is to develop a basic understanding of computers and their use in the business organisations using latest software.

1. Introduction to Computers: Components of computer system, mass storage devices, input-output devices: Data Processing Cycle. Modes of Processing: Batch Processing, Multiprogramming, Multiprocessing, Time Sharing, On-line and real-time processing. Electronic Data Processing Environment: Hardware, Software (system software, operating system, application software) peopleware, firmware.
2. Computer languages: Assembly Language, High Level Languages, 4GLs.
3. Software Packages for Data analysis: Investment Analysis Packages. Accounting Packages, Statistical Analysis Packages. Mindware Packages.
4. Word Processing, Data-base Management Systems and Spreadsheet, using latest industry-used packages.
5. Computer Communications. Communication Channel. Data transmission techniques. Network Topologies. LAN, WAN, TCP/IP; Internet, E-mail, Internet Web, Web Browser etc. Acquiring hardware and software.

Additional Topics:

- I. E-commerce: Concept and scope; Business applications; Architectural framework; Business models: B2B, B2C, B2G and other models.
- II. Electronic Payment System: Types of payment systems; Operational, credit and legal risk of e-payments, managing e-payment systems.
- III. Security Issues in E-Commerce: Types and sources of security threats; firewall; client-server network security; Data and message security; Digital identity and electronic signature; Data encryption.

Suggested Readings

- a) O'Brien, James A. (2010) Management Information System, Tata McGraw-Hill.
- b) Laudon, K. C. and Jame P. Laudon (2010) Management Information System, Pearson.
- c) Elmasari, Ranez and Shamkant B. Navathe (2011) Fundamentals of Database Systems, Pearson Education

2.2 QUANTITATIVE TECHNIQUES II

The paper aims at acquainting the participants with the scientific methodology of solving complex managerial decision-making problems through the techniques of Operations Research.

1. Linear Programming Techniques: Allocation, Linear Inequalities. Formulation of LP Problems. Graphical Solution. Simplex method.
2. Transportation Problems. Assignment Problems. Game Theory.
3. Network Analysis: Networks- PERT & CPM. Critical Path Analysis. PERT Cost. Resource Allocation.
4. Inventory Control: Economic Order Quantity. Quantity Discount Models. Use of safety stock. ABC Analysis Safety Stock.
5. O.R. Techniques: Introduction to Integer Programming, Dynamic Programming, Goal Programming, Queuing Theory, Simulation-and Replacement Decisions.

6. Decision Analysis: Introduction, Types of Decision making Environment, Decision making under Uncertainty, Decision Making under Risk.

Suggested Readings

- a) Hillier, Frederick S., Introduction to Operations Research, McGraw Hill (Latest Edition)
- b) Taha, Hamdy A., Operations Research: An Introduction, Prentice Hall (Latest Edition)
- c) Render, Stair, Allyn and Bacon, Quantitative Analysis for Management (Latest edition)
- d) Vohra, N.D. (2011), Quantitative Techniques in Management, Tata McGraw-Hill, New Delhi.

2.3 ACCOUNTING FOR BUSINESS I

The objective of this paper is to acquaint the participants with the concepts and techniques in financial accounting for business concerns.

1. Fundamentals of Financial Accounting: Definition and scope. Generally accepted accounting Principles, Accounting equation. Accounting process leading to the preparation of Final Accounts. Accounting policy regarding depreciation and inventory valuation. Partnership accounts. Company accounts: Issue of shares and debentures, redemption, of preference shares and debentures. Underwriting. Final Accounts Amalgamation and reconstruction. Insurance claims. Inflation Accounting.

Additional Topics:

- I. Financial Statements: Income Statement, Position Statement and Cash flow statement. Preparation; Reporting of financial statements- interim report, segment report and group report; Analysis of financial statements- ratios; Forecasting financial statement information for project planning and decision making. Financial Databases

Suggested Readings

- a) Anthony, Roberts and David Hawkins, Accounting for Management, McGraw Hill. (Latest Edition)
- b) Bhattacharya, S.K. and John Dearden, Accounting for Management, Vikas Publishing House. (Latest Edition)
- c) Narayanswami, R., Financial Accounting- A Managerial Perspective, Prentice Hall of India, New Delhi. (Latest Edition)
- d) Sehgal, Ashok (2012), Financial Accounting for Managers LexisNexis Butterworths Wadhwa, Nagpur.
- e) Powers, M. and B.E Needler, Financial Accounting, Wiley India, New Delhi. (Latest Edition)

2.4 LEGAL ENVIRONMENT FOR GLOBAL BUSINESS

This paper seeks to acquaint the participants with the legal environment especially relevant for international business operations.

1. Legal and policy environment for India's international trade. Trade and payment agreements.
2. Making international business contracts - types, formation, elements. Procedures for international payments and credits. Regulatory aspects of foreign exchange transactions.
3. Legal provisions regarding patents and trade mark rights, licensing and technology transfers.
4. Procedures for settlement of international disputes. International commercial arbitration and reconciliation.
5. Regulatory aspects of international trade institutions.

Additional Topics

- I. Contemporary Issues: Standardization of international commercial practices and procedures; Harmonization of conflicting national laws; Implication of WTO regime; Avoidance of double taxation; Tax heavens

Suggested Readings

- a) Kumar, R. (2009) Legal Aspects of Business, Cengage Learning, New Delhi.
- b) Bansal, A.K. Law of Commercial Arbitration, Universal Law House, Delhi. (Latest Edition).
- c) Jain, R. (2000) Foreign Exchange Management Law and Practice, Vidhi, New Delhi.
- d) Trebilcock, M. and Robert Hawse, Regulation of International Trade. Routledge, London. (Latest Edition)
- e) Schaffer, R., F. Agusti and B. Earle (2009) International Business Law and its Environment, South Western Cengage Learning, USA.
- f) ICA, Standard Contract Forms and General Condition for use in International Trade Contracts, New Delhi. (Latest Edition)

2.5 COMPUTER APPLICATIONS IN BUSINESS II (MANAGEMENT INFORMATION SYSTEMS)

The objective of this paper is to develop an in-depth understanding of high-end jobs of computer-systems in business organisations, such as-Management Information Systems which require complex data manipulations and data communication particularly over large networks.

1. Concept of Information System and information flow. Role and importance of information systems in management process.
2. Strategic role of information technology in management information systems.
3. Components of Management Information Systems. Design and Maintenance of Management Information Systems and Decision Support Systems. Development and Implementation of management information systems.
4. Role of users in the design, use and implementation of management information systems

Additional Topics

- I. Managing Data Resources for Information System: Concept of Database Management System, data fields, records and files; Sorting and indexing data, designing queries generation of reports and linking data files (Using MS Access 2010 or later or Oracle); Concept and application of Data Warehousing and Data Mining.

Suggested Readings

- a) O'Brien, James A. (2010) Management Information System, Tata McGraw-Hill.
- b) Laudon, K. C. and Jame P. Laudon (2010) Management Information System, Pearson.

- f) Brady, Donald L. (2011) Essentials of International Marketing M.E. Sharpe, New York.

3.4 DOCUMENTATION FOR GLOBAL TRADE

This paper aims to acquaint the students with the important import export procedures and the systems involved in actual carrying out of international trade transactions.

1. Export - import documentation requirements. Registration of exports. Export quotations.
2. Payment Terms - Instruments and methods of financing including documentary credits and collection - Uniform Customs and Practices' (UCP).
3. Export Finance - Facilities, Incentives and Procedures for pre and post shipments finance
4. Procedures and documentation for custom clearance by sea, air, road, rail and port parcel for exports and imports
5. Negotiation of Documents with Banks
6. Procedures and Documentation for availing Export Incentives. Duty drawbacks, Import Licensing and other incentives
7. Foreign Exchange Regulations and Formalities

Suggested Readings

- a) Government of India. Handbook of Import-Export Procedures. (latest)
- b) International Chamber of Commerce. Uniform Customs & Practice for Documentary Credits. Paris: International Chamber of Commerce n.d.
- c) Ramagopal, C. (2006), Export Import Procedures, Documentations and Logistics, New Age International.

3.5 HUMAN RESOURCE MANAGEMENT

This paper aims at providing a broad understanding of the concepts and techniques used in management of human resources with special reference to international business operations.

1. Basic perspectives on HRM : Concept and nature. Trends in thinking on HRM, Role and responsibilities of HRM.
2. Manpower Planning for Global Business: Approaches to planning for human resources. Job analysis and position specifications. Manpower inventory; Long term growth plan. Promotion policy.
3. Selection process: Methods of selection. Induction and placement procedures. Productivity morale and commitment. Job Satisfaction and job enrichment.
4. Training and Development: The concept of training and development. Steps in training and development. Identification of training needs. Methods and techniques of training. Evaluation of training and development.
5. Performance Appraisal: Objectives and importance of performance and potential appraisal system. Mechanism of performance appraisal. Problems in implementing appraisal system. MBO as a technique of appraisal.
6. Compensation and Rewards: Concept of wage and salary administration. Factors influencing wages/salaries. Types of wage payment systems. Managerial remuneration. Incentive schemes. Promotion and transfers across cultures and countries.
7. Recent Trends in HRM: TQM, Kaizen Quality Circles.
8. Trade Union Dynamics. Trends in trade unions movement. Industrial relations in India. Problems of discipline in industry. Grievance handling. Industrial conflicts. Approaches to conflict resolutions. Participative management.
9. Work environment: Occupational safety and health. Programmes to improve employee safety and welfare.

Suggested Readings

- a) Snell and Bohlander (2007) Human Resource Management, Thomson South Western.
- b) Wilkinson, Adrian (2010) ed; Sage Handbook Of Human Resource Management, Sage. N.D.

- h) Hull, J. C., Options, Futures and Other Derivatives, PHI, New Delhi (Latest Edition)

4.3 INTERNATIONAL TRADE-BLOCKS AND AGREEMENTS

The objective of this paper is to impart to the students the basic understanding of the theoretical framework for international trade and also of the international organisational framework for such trade to be carried out.

1. The Global Market place. Composition of worldtrade. Patterns of world-trade. International-trade theory. Production-sharing. The Geo-business Model. Trade barriers and trade liberalisation.
2. Institutions in the World Economy: WTO, UNCTAD, East-West Trade, Regional Economic Integration. (ANCOM, ASEAN, CACM, CMFA, ECOWAS, EE, EFTA, SAPTA, CAIA)
3. Effects of Regional Market Agreements. Types of Market Agreements.

Suggested Readings

- a) Lundert, Peter. International Economics. Np: NP.n.d.
- b) Robock, Alephen and Kenneth Aimmonds. International Business and Multi-national Enterprises. Np: NP.n.d.
- c) Root, Franklin R. International Trade and Investment. Np: NP.n.d.

4.4 PROCEDURES AND LOGISTICS FOR GLOBAL TRADE

This paper aims to acquaint the students with the import-export procedures and the systems involved in actual carrying out of international trade transactions.

1. Processing of an Export Order
2. Role of Clearing and Forwarding Agents
3. Excise clearances of export Cargo.
4. Shipment of Export Cargo-Movement of Goods by road and rail to port of shipment, overseas shipment by road, rail, air and sea.
5. Business Risk Coverage - Cargo, credit and foreign exchange risk coverage. Cargo insurance. Role and schemes of ECGS and commercial banks.
6. Quality control and pre-shipment Inspection - Concept, Scheme and procedures.
7. World Shipping : Structure, Liners and Tramps, Conference system. Freight and structure. Containerisation and other developments. International Agreement and Conference on Sea Transport.
8. Indian Shipping: Trends, structure, concept of dry port, containerisation, International machinery for consultation.
9. Air transport: International set-up, freight rate structure.

Suggested Readings

- a) Desai, H.B. Indian Shipping Perspectives. Delhi: Anupam Publications. (Latest edition)
- b) Government of India. Handbook of Import-Export Procedures.
- c) Ram, Paras. Export: What, Where and How. Delhi: Anupam Publishers. (Latest edition)

4.5 INTERNATIONAL INVESTMENT MANAGEMENT

This paper aims to expose the participants to the diversities of opportunities, problems and policy implications of investment at the global level.

1. Basics of Investment Management: Risk and Return analysis. Investment alternatives. Valuation Theories of fixed and variable income securities. Term structure. Options and Future Markets.
2. An overview of investment in foreign securities
3. Legal aspects of investment in foreign securities.
4. Risk factor in foreign investments.
5. Financial product - development and risk management.
6. Theoretical and practical aspects of foreign investment decisions.
7. International Financial market. Capital flows and financial systems.
8. International investment and Indian financial sector reforms.
9. Portfolio Management: Risk and Return of Portfolio, Harry Markowitz Theory, Single Index and Arbitrage Pricing Theory; Capital Assets Pricing Model; Portfolio Construction and Performance Evaluation.
10. Structured Debts: Financial Engineering and Structured Debts, Assets Backed Securities and Collateralized Debt Obligations.

Suggested Readings

- a) Elton, Gruber, Brown, and Goetzmann, Modern Portfolio Theory and Investment Analysis, Wiley India. (Latest Edition)
- b) Reilly, Frank K. and Keith C. Brown, Investment Analysis and Portfolio Management, South Western College Pub. (Latest Edition)
- c) Bodie, Kane and Marcus (2009), Investments, TMH, New Delhi.

COURSE REQUIREMENTS

The following are course guidelines and requirements which are integral part of the course.

1. Post Graduate Diploma in Global Business Operations is a two-year full time professional course, taught in four semesters, viz., Semester I, II, III and IV. There are 26 compulsory papers in all taught over the four semesters. Elective papers and courses are offered in different semesters depending on the academic requirements of students. The academic year is divided into two broad segments:
 - a. Semester I & Semester III: July – December
 - b. Semester II & Semester IV: January – June
2. The medium of instruction across all semesters is English.
3. For all the compulsory papers, two lectures are held per week of 110 minutes each. In case faculty members feel the need for extra classes, students are informed in advance about the revised schedule.
4. It is mandatory for all the students to prepare in advance for the classes by referring to relevant reading material, case studies, books and other resources mentioned by the faculty members.
5. At the end of Semester II, all students are required to undertake summer training for duration of 6 – 8 weeks during summer vacations. In addition, students are expected to complete an empirical/research project by the end of Semester IV in any area of their interest under the supervision of a faculty member.
6. At the completion of summer internship, students are expected to submit a report duly signed by the external supervisor from the industry as well as internal academic supervisor from the college certifying the authenticity of their internship training & experience. Students are expected to visit the organisation on regular basis unless specified by the representatives of the organisation to do otherwise. Internal faculty member should be aware of the progress made by

students during the summer internships and students should make active efforts to provide updates to their academic supervisor. Any report, which is not, validated either by the internal or external supervisor would not be accepted for the final evaluation. Marks for the summer internship will be awarded only after submission of project report and successful completion the viva-voice examination.

7. For the above mentioned empirical/research project, students must adhere to the formal guidelines of research design and methods. Further, ethics in scientific research and writing are to be observed at all stages of the research project. The format for writing research project should be as follows:
 - a. Initial Pages
 - i. Cover Page
 - ii. Index
 - iii. Certificate (in case of summer internship)
 - iv. Acknowledgement
 - b. Title of the study
 - i. Abstract – 250 -300 words
 - c. Introduction
 - i. Background of the study
 - ii. Basic Concepts & theoretical context
 - iii. Review of Literature
 - iv. Rationale for the present research
 - d. Objectives of the Research
 - i. Specific, concise and clear problem statements
 - ii. Research Hypothesis (if any)

- e. Method
 - i. What was the general research design of the study (e.g. survey, experimental, observational, exploratory, quantitative, qualitative etc)?
 - ii. Sample characteristics, sampling procedure, sample size etc.
 - iii. Techniques and tools used for data collection
 - iv. Describing the process of data collection
 - f. Results
 - i. What were the principle findings?
 - ii. How were the results analyzed?
 - g. Discussion
 - i. Were the hypothesis supported? (If study was hypothesis driven)
 - ii. How do the results relate to what was already known, or what are the implications of these findings?
 - iii. Implications and limitations of the present study
 - h. References
 - i. Follow APA code for referencing
 - ii. All references sources (Books, Journals, Magazines, Internet Data Bases etc.) to be quoted
 - i. Appendix
 - i. Questionnaire
 - ii. Interview Schedule
 - iii. Other related documents
8. For the research project, students are advised to enroll in special courses organized by college in the field of research methods and statistical tools, techniques & software. These special courses would be accorded credit points as research course work towards final evaluation of the research project.
 9. At SRCC, the teaching pedagogy includes participative methods such as Lectures, Case Studies, Business Simulations, Seminars, Workshops, Special Lectures and other audio-visual modalities. One of the prerequisites of the course is to actively participate in business case discussions facilitated by the faculty members.
 10. Centre for Professional Development, SRCC regularly organizes special short-term courses during summer and winter vacations. GBO students are encouraged to participate in these workshops and work towards their continuous personal & professional development.

CODE OF CONDUCT

The following code of conduct has been formulated to provide a clear statement of Shri Ram College of Commerce's expectations of students with respect to academic matters and personal conduct. Through this code of conduct, college reaffirms its commitment to inculcating high academic standards, intellectual rigour, ethical behaviour and high quality of overall development of its students and it must be read in conjunction with the statutes, rules and ordinances of University of Delhi. All students are required to comply with the requirements laid out in this code of conduct.

PERSONAL CONDUCT

1. During this course, you are to remember that for the next two years you are representing Shri Ram College of Commerce, University of Delhi and are expected to act accordingly.
2. You are expected to value diversity of students and treat everyone with respect irrespective of their caste, religion or socio-economic background. College observes zero tolerance towards any incident of discrimination or harassment against others.
3. You should maintain harmonious relationships with your peers without posing any threat to their dignity or self-esteem.

4. Any act of physical or verbal violence with other students, teaching or non-teaching staff of the college will lead to strict disciplinary action.
5. At no point, should you damage college property, equipment, library books or other audio-visual devices that belong to college.
6. While dealing with exchange students from other universities, you should respect their concern for privacy and other cultural norms at all times. We expect our students to be sensitive towards the needs of students visiting SRCC as part of exchange programs.
7. Though we encourage open door policy for students to approach course coordinators and faculty members, a prior notification or appointment would help us cater to your requirements in a better way.
8. Students found in possession of any of the prohibited substance such as drugs, alcohol or weapons in college or when representing college as part of educational excursions, field trips or industrial visits would be suspended with immediate effect. Smoking is strictly prohibited within the college premises.
9. Please keep the College Identity Card with you at all times. It must be produced each time any member of the faculty or office staff asks for it. In case you lose or damage your identity Card, a duplicate is issued on payment of ₹ 200/-. In case of loss, the duplicate is issued only on submission of a copy of F.I.R. lodged with the police.

10. Please pay your fees by the due date. A fine is charged for non-payment for each day after the due date. If fees are not paid by a month after the due date, your name will be struck off the College rolls.

ACADEMIC CONDUCT

Plagiarism

College requires that all writings, assignments, projects, reports and ideas submitted by students should be presented in their own words, with appropriate credit given to ideas from other sources or people. Essentially, the college charges students with the responsibility of writing or reporting information and data that have been legitimately obtained. Attempting to pass someone else's work as your own is called Plagiarism. It is equivalent to an act of academic theft towards which college observes zero tolerance.

Classrooms

1. All students are responsible for maintaining proper decorum in the classroom. Any activity that has potential to impede class proceedings or ongoing lectures will be liable for strict action.
2. Students are expected to be present in class before the lecture begins. Students who arrive late will not be allowed to enter the class.
3. During the class, students are prohibited to use mobile phones, laptops, tabloid, ipad or any device that can disturb exchange of information by the faculty.
4. Other than class representative or designated student responsible for handling smart podium, all other students should not tamper with teaching devices used in the class.

5. Eatables are not allowed in the classroom. Students should take extra precaution to ensure cleanliness of their classroom and refrain from littering in the GBO corridors.

Attendance

1. Students are required to be regular and punctual in attending their classes throughout their academic years at SRCC.
2. Students will be suspended from the class if he/she does not maintain 75% attendance on monthly basis. In addition, it is mandatory for students to attend events organised under the rubric of Global Business Operations such as HR Summit, Marketing Summit, Finance Summit, National Colloquium, Guest Lectures, and Special Seminars/Workshops as well.
3. At the end of every month, attendance records of students are displayed on the GBO notice board. Students who may fall of attendance in any subject should take advance measures to make up for their attendance by the end of semester.
4. Students with genuine medical reasons for absence from the college are required to take prior permission from the course coordinators for availing attendance benefits. The permission will be granted only after due submission of medical record and medical certificate from the doctor.
5. With respect to attendance benefits related to extra-curricular activities, it should be noted that benefits could be provided only for official activities organised and recognised by GBO, SRCC such as HR, Marketing, Finance Summits and National Colloquium. In such cases prior permission has to be sought from faculty-in-charge followed by course coordinators. No case of attendance benefits will be entertained without authentication of participation by the faculty-in-charge.
6. If for any unforeseen reason, you have to miss your classes, advance notification of your absence has to be given to all the concerned faculty members either through a written application or an email.

7. Participating in competitions, preparing for other competitive examinations, placement/summer internship appointments, field study, marriage in the family etc. are not considered valid reasons for any exemption from attending regular classes.
8. Any student who tampers with official attendance records of respective faculty members will be suspended.

Examinations

1. Students should report to the examination room at least 10 minutes prior to commencement of the paper.
2. No student will be allowed to enter examination hall half an hour after the official time for starting the paper.
3. Cell phones, blue tooth devices, earphones, tablets, i-pads, laptops are strictly prohibited in the examination hall. Anyone found in possession of cell phone would be asked immediately to leave examination hall without much deliberation.
4. Usage of unfair means of any kind will result in immediate cancellation of student's paper along with rustication from the college.
5. Any incident of misbehavior with the invigilators or non-teaching staff members on duty will lead to disciplinary action.

Educational Visits

Students for educational visit will be selected on certain criteria.

1. Students are required to get consent from their parents specifying that they are fully aware of the trip and have no objections to their travelling.
2. You are expected to travel by train/bus in which college has made reservations. No one would be allowed to travel individually or upgrade his or her reservation class.
3. For the entire duration of the trip, students will stay in the hotel accommodation arranged by the trip organisers. You will not be allowed to stay at any other location or with a family member/friend.
4. Students are expected to attend all visits to the port, industry or local sight seeing trips and any other scheduled program. Failure to attend events and being punctual may result in strict disciplinary action.
5. Students must dress appropriately and interact professionally while representing GBO, SRCC at various formal platforms.
6. Students should not indulge in any anti-social activities such as using offensive language, fighting or destroying property during the trip. Any unwarranted

behaviour to another person or property during the trip will lead to strict disciplinary action.

7. Students will not be allowed to venture out in the city without permission from the accompanying faculty member.
8. Possession of illegal drugs and alcoholic beverages are prohibited during educational tours.
9. Students must bear full responsibility of their personal belongings.
10. In case of any injury, accidents or illness, students are required to report the same to the faculty member without any delay.

Industry Interaction & Placements

1. Students must follow the guidelines specified in the placement policy of Global Business Operations Programme.
2. Students must attend all the guest lectures, seminars, talks by industry experts, pre-placement talks organized by college and GBO placement cell. No student would be exempted from attending these interactions with the industry personnel without a valid reason.
3. GBO students are expected to extend basic courtesy towards people visiting college from industry. Any act of unacceptable conduct during placement visits will result in permanent debarring from the placement process.
4. Students who do not seek either summer internship or final placement through college should inform GBO placement cell in advance.

SCHEME OF EXAMINATION & EVALUATION

- As per the examination scheme, each paper in every semester is of 100 marks. Division of marks is as follows:

- » Final Written Examination (3 hours) = 70 marks
- » Internal Assessment (finalized by faculty) = 30 marks

* There shall be 5 marks for regularity in attending lectures and the credit for regularity in each paper, based on attendance, shall be as follows:

67% or more but less than 70 %	- 1 mark
70 % or more but less than 75 %	- 2 marks
75% or more but less than 80 %	- 3 marks
80 % or more but less than 85 %	- 4 marks
85% and above	- 5 marks

** Class Participation refers to active involvement & engagement of students in classroom activities and discussions. The ideal class participation is one in which all students participate, learn, and listen to others' ideas, comments, and questions. Students' involvement can be construed in 2 ways: an active intervention by providing either spontaneous or unsolicited contributions, such as giving opinions, answering questions, making comments, talking about a topic, participating in group discussions, reading, and asking questions; and a second type of involvement consisting in showing interest, following classes with attention, and listening to others.

Note: The above-mentioned scheme for internal assessment evaluation is subject to revision as per faculty requirements.

- For the summer internship project in Semester IV, the written internship report and presentation will account for 50 marks. Group Research Project and Presentation under the guidance of a faculty member will carry 50 marks.
- The students shall be deemed to have cleared first year of the course after obtaining minimum 40% marks in at least ten papers out of total combined papers of Semester I & Semester II.

- The students shall be deemed to have cleared second year of the course after obtaining minimum 40% marks in at least nine papers out of total combined papers of Semester III & Semester IV.
- If a student fails to clear a year, he/she shall be permitted to reappear in the concerned subject examination in the subsequent year as an ex-student or on joining the course as a regular student.
- On failing to pass in some of the papers of a semester even if a student clears an year, he/she would have to clear all the failed papers within a maximum period of two years.
- A student failing to obtain 50% marks in the aggregate of the two semesters of a year would be permitted to reappear in any of the papers of his choice within a maximum period of two years.
- A student would be required to complete the entire course in a maximum of four years from the year of admission to the course.
- Students, who obtain at least 40% marks in all papers in every semester, and 50% marks in the aggregate of the two semesters of each year, shall be eligible for the award of Post Graduate Diploma in Global Business Operations.

LIBRARY

The College has a well-stocked up-to-date library containing nearly seventy six thousand books and subscribing to eighty international and national journals. The reading room can accommodate three hundred students. The Library follows the Dewey Decimal System of classification. There is a computerized catalogue, an E-mail facility and an online search service. The Library is fully-automated. All documents are bar-coded for its smooth operation. The library is open on all working days. To become a borrowing member of the library, you must show your fee slip, bring two passport-size photographs and fill in the prescribed form obtainable from the lending counter.

Follow instructions and rules so that you get the best out of this Library.

1. The arrangement of the books (whether in the stack rooms, reserved sections or the book banks) should never be disturbed. Once a book has been removed from the shelves, it should be left lying on the nearby tables. The library staff will put the book in its proper place. Please remember that a misplaced book in the library is as good as lost.
2. If you are not able to find/trace what you are looking for, the library staff will help you.
3. Books issued should never be marked, torn or tampered with - they still have to be read by many people.

Beside this, certain Do's and Don'ts will have to be observed:

Do's :

1. Always consult the Catalogue first, since this tells you where to locate what you want. Even if you know only the author or the title of the book, the Catalogue will help you. Note down the Call No. on a slip of paper and then you may search for the book on the shelves.
2. If you find the book torn or certain pages missing, please bring this to the notice of the issuing assistant before you get the books issued in your own name.
3. Kindly stand in a queue while getting books issued or returning them.

4. Please observe absolute SILENCE in the Library.
5. For getting photocopies done, prior permission of Librarian must be sought.
6. Please return all books on time. If you need a book urgently, do reserve it in your name. You shall get the book as soon as it is returned to the Library.
7. If you lose your Library card or a book, report this at once to the Librarian, giving all details, so that he may do the needful.

Dont's:

1. Don't spit, smoke or sleep in the Library.
2. Don't tear, fold or cut pages from the books. Whenever this is discovered you shall be penalised.
3. You are not allowed to bring personal books, books issued on the earlier days & bags inside the Library. All this must be deposited at the Entrance (Property Counter) and collected on your return.
4. You cannot use one another's Library Cards, as these are Non Transferable.
5. You are not permitted to take any book out of the Library without getting it issued.
6. Do not pull any card out of the Catalogue Cabinet. This spoils the Library records.
7. Acquaint yourself with the Library Gate, Property Counter, Identity Card, Catalogue, Open-Access and arrangement of books, etc.

Property Counter

As members are not allowed to bring any book, magazine etc. inside the library premises there is a Property Counter to keep these. Before entering the Library, members should deposit their belongings at the Property Counter at their own risk.

Identity Card

All the students admitted to the College are issued identity cards at the time of their admission. These Cards entitle them to avail of all the library facilities.

Instruction about Identity Card

1. Full care for the safety of the Identity Card should be taken. If it is lost, a duplicate card is issued, at the discretion of the college authorities after establishing the complete identification and genuineness of the student.
2. It should not be handed over to anybody lest it be misused. The owner is responsible for the consequences thereupon.

Library Catalogue (Manual)

The Catalogue is a key to all the books shelved in the Library. It is placed on the ground floor and comprises of the cards imparting information regarding the author, title, subject, format and location of books on the shelves.

The Catalogue has been divided into three parts:

- (i) Author
- (ii) Title Part
- (iii) Classified Part

In the author part, the drawers are marked 'A', 'B', 'C', 'D', and so on. Each letter indicates that in that particular drawer those cards of the books are filed whose authors' names begin with the particular letter marked thereon. For example, the card of a book written by Aristotle will be found in the drawer bearing letter 'A', on it, and so forth. The same arrangement follows in the Title Part.

In the classified part of the catalogue, the drawers are marked as 320-329, Economics and so on. The cards of the subject mentioned on the drawer are filed in that particular drawer. For example, the drawer bearing Economics will contain cards on Economics only.

At the top left corner of each card is written Call No. which indicates the definite location of the book on a specific shelf. If a particular book has been placed elsewhere it will be indicated by Rubber Stamp at the top of the Card. For example, if a particular book, say Gita has been placed in the special corner of India Philosophy and Cultural Heritage, the card will carry the stamp of Indian Philosophy and Cultural Heritage.

On-Line Public Access Catalogue (OPAC)

The library is fully automated with latest state of the art technology. Two computer terminals are placed in the library on the ground floor near the issue counter. Users can search their documents in Library database on these computers.

How to use OPAC :

1. You can select the books from the main menu (i.e. the very first screen itself).
2. Books can be searched by using any of the following:

CATALOGUE SEARCH

Author Words in Title
Title
Classified
Subject
Place Combination search
Publisher (Boolean Search)

On line facility is on the screen. The staff on duty will also be able to help you in using the OPAC. Your suggestions and feedback to improve the system are welcome.

Open Access

Open access provides free access to the world of books. Users are allowed browsing through shelves without any hindrance. All the readers have the freedom to consult books and thus, they can select their choicest reading material. In order to help the readers, section-guides and plank-guides have been provided.

Arrangement of Books

To ensure the proper use of books, these have been arranged in a logical order according to the Dewey Decimal Classification Scheme. The classified arrangement of the books is in the following order:

000, 100, 200, 300, 400, 500, 600, 700, 800, 900.

Books are placed on the shelves from left to right across a shelf, then down to the next shelf and across left to right and so on.

Broken Order

The books which are in constant demand such as Text Books, Reference Books etc., are placed separately, to facilitate easy access to these books.

Dictionaries

Dictionaries concerning the respective subject are placed in the reference section so that the reader may consult them whenever required.

E-mail Facility

The library has an E-mail facility and an online search service. We are in the process of acquiring a software package, which will completely revolutionise the way we access the books from the catalogue. Your library is an active member of Delhi Library Network (DELNET).

Rules & Regulations of the Library

1. The College Library remains open on all working days. Students may draw books as mentioned under Rule 3, on the card issued to them by the College. Loss of Library Card should be immediately reported to the Librarian. A duplicate card may be obtained on payment of ₹ 50/-. Application for issue of duplicate card is made to the Librarian on prescribed form available from the issue counter, on payment of ₹ 10/-.
2. Books from the stack room may be retained for a period of one week. Borrowers must see that the books drawn by them are not spoiled, dog-eared, marked or otherwise mutilated. Reference books shall not be issued to students.
3. To become a borrowing member of the College Library, every student has to apply on a prescribed form. The application form can be had from the issue counter. Please bring your fee receipt and two photographs.
4. A student will get a Reader's Card for issue of four books. The books from the stack room are issued for 7 days only. The rate of overdue charges will be ₹ 1/- per day per volume.
5. The overdue charges for textbooks issued for over-night use will be ₹ 1/- per volume. Books from the Book Bank are issued for 7 days only, the rate of overdue charges are ₹ 1/- per day per volume.
6. For the issue of books, Reader's Card is to be handed over at the Issue Counter and the Identity Card shown.
7. Books lost or damaged shall have to be replaced or its double price shall be charged from the borrower.
8. Readers and borrowers shall not write or put any mark upon a book, periodical, map or any other material belonging to the library. Infringement of this rule may invite severe penalty including replacement of the book.
9. Students should get their bags etc. checked at the gate and deposit their gate pass to the person incharge before they leave the library.

Periodical Section

10. Back issues of current magazines may be issued to the faculty members only. These are issued by the Periodical incharge or the Reading Room incharge for a period of not more than seven days.
11. The latest issues of magazines etc., will not be allowed to be taken out.

Clearance Certificate

Library cards are the property of the College Library and these are to be surrendered; dues, if any, paid, and a clearance certificate obtained before a member discontinues his/her membership or applies for character certificate/marks sheet/Degree or terminates connection with the College.

COMPUTER CENTRE

The College has a well-equipped Computer Centre with the latest updates in software and hardware. The University's optical fibre lease line is also available and connects the College round the clock to the University's main campus. The SRCC Computer Centre is among the best in the University and caters to both undergraduate and postgraduate students.

Rules for the use of Computer Center

Please observe the following rules while using College Computer Center and its facilities.

General Guidelines

1. Remove your shoes and put them in the rack before entering the computer lab.
2. Food and drinks are not allowed inside the labs.
3. Do not stay in the lab if you have no work.
4. Do not make noise in the computer center.
5. Please help maintaining the lab clean. If you find that your desk requires a bit of cleaning, please get a towel from the lab attendant and clean that place.
6. Please switch off the monitor if you are not using the machine.

Use of Machine

1. Playing games on Computers is not permitted.
2. Do not disturb the system settings of a given machine.
3. Shut down the machine if you think no one is expected to use the machine after you for that day.

4. Do not touch or mishandle any object e.g. computer hardware, AC's etc.
5. Users are not allowed to download and install any arbitrary software. Permission should be sought before downloading and installing any software (executable programs).

Computer Center Classes

1. Do not enter a lab while a computer class is going on inside the lab.
2. Please make the lab available immediately as soon as you are told that a class is to take place
3. In spite of terminals being available, do not enter a lab while a class is going on.

Use of Internet

1. Please make a judicious use of Internet for academic purposes.
2. Allow other users to use computing facilities in case of overload of users.
3. Chatting is not allowed.
4. Checking your mails all day is not encouraged.

Use of Mobile Phones

1. Users are not allowed to use their mobile phones inside the Computer Center.
2. Users should keep their mobile phones on vibration mode.

Paper Waste

1. Please throw your waste paper obtained after printing in a paper bin. Do not leave paper around in the lab.
2. If you find that a paper can be used later as it has one side available, please put that in tray for one sided papers.
3. Please cross mark the side of the paper that is not to be used in future.

Use of Printer

1. Students are required to bring their own paper. College will provide the availability of the printer.
2. Bulk printing from the lab printers is not allowed.
3. Do not take print outs for the pages that may need a lot of ink.
4. Do not insert a crumpled paper in the printer.

Virus-Scan

Please scan your pen drives, floppies, CDs or any other memory device for viruses.

PRIVILEGES

HEALTH CARE

You are eligible to avail of medical facilities provided at the World University Service (WUS) Health Centre situated next to the Patel Chest Institute. Details about the nominal charges for resident and non-resident students are available at the WUS Centre.

RAILWAYS & AIRLINES CONCESSION

You are allowed railway fare concession during vacations only for travelling to your hometown. You may obtain railway concession forms from the College Office. You must inform the office about any change in hometown address by an application countersigned by your parents.

MEDICAL SUPPORT UNIT

The college has started a medical support unit in the college campus to provide immediate medical assistance to all the college students, faculty and staff members. The facilities include a visiting doctor, a full-time nurse and twenty-four hour medical assistance in case of emergency in the designated hospital.

COUNSELLING FACILITY

Taking into cognizance the importance and psychological well-being of its wards in their holistic development, the College has a full-time professional counsellor on the campus. The counsellor is available five days a week to aid students in their personal problems.

RESOURCE CENTRE FOR VISUALLY IMPAIRED STUDENTS

The college has a unique Resource Center for Visually Impaired Students (RCVC) developed under the SRCC Enabling Unit. The resources center has a variety of assistive technology (both hardware equipment and software) like JAWS and Supernova, the screen-reading software; Kurzweil, the OCR; Clear Reader, the instant-reading hardware equipment; Clear-View the magnifier attached with LCD; DUXBURY Braille Translator; scanning and embossed printing devices; etc. to facilitate students with different degrees of visual impairment.

LIBRARY RESOURCE CENTRE

The air-conditioned library is well-stocked and presently has a collection of nearly 79 thousand books. Latest publications in the fields of business studies, economics, humanities and social sciences are continuously added to the collection to equip students with a wide range of resources. The library subscribes to 80 international and national journals. It also provides Internet and E-mail facilities for intensive online search. The college introduced system for modernization and enhancement of library services with RFID system for document identification and security along with automated circulation.

CENTRE FOR ACADEMIC EXCELLENCE

The college has setup a centre for academic excellence to provide financial support for presenting papers in seminars/conferences of national or international repute, attending training programmes, etc to teaching staff and financial support for similar nature of efforts to the non-teaching staff and the students. College also reward for publishing articles and research papers in Journal of national or international repute.

REFUND OF FEES

A student is required to apply in writing for cancellation of admission. In case a student gets his / her admission cancelled on or before the start of the session, only ₹ 1,000/- towards processing charges will be deducted. After start of the session, the first term fee will be deducted on proportionate basis till 31.08.2018 in addition to processing charges; thereafter only the library security will be refunded from the first term fees.

SPORTS

The College has extensive playing grounds, a swimming pool, gym, indoor badminton court, basketball court with all modern facilities of international quality. The College has been excelling in sports for over two decades.

ACCOMMODATION

The College provides limited accommodation to GBO students in the Boys' and Girls' Hostels in the College campus. Separate application for the Hostels have to be made on the prescribed form available at the Hostel counter of the College Office. Hostel accommodation is based on the availability of seats and admission to the College does not imply admission to the hostels. A few seats are also available in some of the University Hostels. Separate applications have to be filled in at the respective hostels. Hostel seats are few and applicants should be prepared for making their own arrangements.

OTHERS

The College Cooperative Store provides on-campus facility for books and stationery. The Canteen is a popular meeting place for students. Photocopying facility is also available on campus. A branch of the State Bank of India also operates from the College.

MEDALS & PRIZES

Punj Lloyd Gold Medal is awarded to the topper of the Global Business Operation Programme across all years taken together.

Prem Pandhi Gold Medal is awarded to best post graduate student to be judged on the basis of overall performance of student in academics, attendance, conduct, participation and credits/awards in extra-curricular activities and sports activities in the first two semester of post graduate diploma in Global Business Operations (GBO).

Academic Prizes

There are three prizes in I & II Year classes of Global Business Operations.

INDUSTRY ACADEMIA INTERACTION

Shri Ram College of Commerce has always encouraged close interaction between what is taught in class and how that knowledge applies in real-life situations in trade, industry and professions. This meeting-ground of theory and practice is made possible by our students being exposed to industry personalities with whom they can interact and understand for themselves the application of theoretical knowledge.

NATIONAL COLLOQUIUM

The College has been organising the annual National Colloquium for the past several years at the Vigyan Bhawan/India Habitat Centre, New Delhi, where top industrialists and academicians, economists and representatives of the government have delivered lectures on a range of aspects about business, economics and industry. Speakers in the past included Mr. Kumar Mangalam Birla, Chairman, Aditya Birla Group; Mr. N. R. Narayana Murthy, then Chairman, Infosys; Mr. Mukesh Ambani, CMD, Reliance Industries Limited; Mr. Y. C. Deveswar, CMD, ITC; Mr. Sunil Bharti Mittal, CMD, Bharti Airtel Ltd.; Mr. Rahul Bajaj, CMD, Bajaj Auto; Mr. K. V. Kamath, then Managing Director and CEO, ICICI Bank; Mr. Anshu Jain, Head of Global Markets, Deutsche Bank, Mr. Hari S. Bhartia, President, CII, Mr. Deepak Parekh, Chairman, HDFC Ltd. And Ms. Chanda Kochhar, CEO & MD, ICICI Bank among others.

STUDENTS' ACTIVITIES

AT INTERNATIONAL LEVEL

Participated in Management Fest G-Fest 2017 at Gaeddu College of Business Studies at Gedu, Chukkha, Bhutan.

AT NATIONAL LEVEL

Amity Business School, Shiv Nadar University, IIM, Amritsar, IIM, Shillong, IIM, Rohtak, MDI, Gurgaon and XLRI, Jamshedpur

FAREWELL

REUNION GAMES

PORT VISIT, DADRI 2020

Kandla Port Trust, Gujarat

A visit to Kandla Port Trust was organized where students were introduced to logistics both from the perspective of conceptual understanding and choosing it as a career option, through an interactive session.

Daimler India Commercial Vehicles Pvt. Ltd., Chennai

GBO Students visited Daimler India Commercial Vehicles Pvt. Ltd., Chennai which is a leading commercial heavy vehicles manufacturing company. The Daimler plant visit covered three important sections of the plant- Vehicle assembly, Engine and Transmission. The students interacted with various operations managers and discussed topics such as shop floor management and future trends in the automotive industry.

Integral Coach Factory, Chennai

The Coach factory in Chennai is a colourful set- up of workshops bustling with incessant activity. Workshops range from 'Assembly Shop' and 'Paint Shop' to 'Shell Shop' and 'Testing Shop'. Students walked through all the workshops in full operation and learnt about how coaches are built right from the stage of welding to readying them for tracks. The adjacent 'Railway gallery' and 'Hydari Museum' also gave a peek into Indian railways' history.

Madras Atomic Power Station, Kancheeppuram, Tamil Nadu

The tour to Madras Atomic Nuclear power station commenced with an insightful lecture on power generation from atomic energy and India's capacity to do so from other sources. The students were then guided by officials inside the plant and the workings of the reactor, control room

operations and management of the station were explained in detail through models and actual working parts of the station.

Mother Dairy Plant

Rural Marketing

India Trade Promotion Organisation

Inland Container Depot, Dadri

Industrial Visits:

Kedarnath Visit

A field trip to Kedarnath was organised on October 3-7, 2017 led by Dr. Anil Kumar, Course Coordinator & Ms. Renu Bansal, faculty. After foreseeing in media all the disaster that happened in Kedarnath in June, 2013 and the steps taken to revive the situation, it was decided to take the students to that place and personally study the steps taken to recreate the beauty of that place and how things were actually managed from shifting the people from one place to another, arranging food and shelter for them to giving treatment to injured people.

Visit to Haridwar & Dehradun

An Educational trip to Patanjali Food and Herbal Park, Haridwar and the Forest Research Institute, Rishikesh was organized on October 3-6, 2017 led by Dr. R. P. Rustagi, Senior Faculty and Mr. H.N. Tiwari, faculty.

Maruti Suzuki, Gurgaon Plant Visit

GBO organized a visit to Maruti Suzuki Ltd., Gurgaon on February 3, 2018 led by Senior faculty, Mr. Amit Sachdeva to understand business prospects of automobile industry.

ALUMNI

COLLABORATIVE

PROGRAMMES

SRCC has built collaborative partnerships with reputed Business Schools and Universities abroad. International programmes and exchanges provide global exposure to our students. There are groups of students who travel abroad as also foreign students who come to the college to participate in Intensive Study Programmes.

The college has partnerships with:

Hong Kong Business School
Assumption University, Bangkok, Thailand
University of Warsaw, Poland
EBS Business School, Germany
IESEG School of Management, Lille, France
UTRECHT Business School, Netherlands
Akron University, USA
Saginaw Valley State University, Michigan, USA
Schreyer Honors College, Penn State, USA
University of Wisconsin, Eau Claire, USA
Richard Ivey School of Business, Western Ontario, Canada
South Pacific University

INTERNATIONAL PROGRAMMES

INDO-DUTCH PROGRAMME

Utrecht Business School, Netherlands
Shri Ram College of Commerce, Delhi

The Indo-Dutch Programme was conceived in 2008 and has attracted wide participation and interest from students. The programme is based on the theme

“Management and Culture” and is usually held in Week 43 in October every year. A unique buddy system is followed where students from all three participating institutions are divided into groups who undertake projects and

have opportunities of closer interaction. Since 2012, students from SRCC have been participating in the Outgoing Programme too in June-July every year at Utrecht. The Indo-Dutch collaborative program took place between Shri Ram College of Commerce and Utrecht Business School in Netherlands from 26th to 30th June, 2017. A team of 17 students and Professor Vikas Madan from SRCC took part in the exchange program. The students were introduced to a program called “LINKS”, a high-tech software to train students in strategic management.

INDO-US COLLABORATIVE PROGRAMME

University of Wisconsin, Eau Claire, USA
 Shri Ram College of Commerce, Delhi, India

The Indo-US Programme was initiated in 2012 based on Group Projects, industry and NGO visits, heritage tours in Delhi, Agra and Jaipur and lectures and workshops that highlight the exposure to different facets of Indian life and culture, society, politics and religion. Usually held in the first three weeks of January, this programme provides enormous scope for students to bond and understand each other.

INDO-POLAND COLLABORATIVE PROGRAMME

The twelve-day Indo-Poland Collaborative Programme between students of SRCC and University of Warsaw, held at Warsaw, Poland gave participants an opportunity to explore Polish cultural heritage and economic environment. It included seminars and workshops on topics such as 'Indo Poland Business Scenario', 'Polish Education System' and 'The Economic Transformation in Poland.' Students interacted with Ambassadors of the two countries and visited various places in and around Warsaw and Krakow, which familiarized them with the historical lineage and traditional practices of Polish culture.

SRCC-PENNSTATE COLLABORATIVE STUDY PROGRAMME

Schreyer Honors College, Penn-State, USA

Shri Ram College of Commerce, Delhi, India

A fourteen-day programme between SRCC and Schreyer Honors College, PennState University is held in the first fortnight of July every year. Initiated in 2012, this programme is multidisciplinary, drawing students from a range of disciplines in the social sciences, humanities and physical sciences. Group projects, heritage visits, engagement with social work, exposure to the rich Indian cultural inheritance including food, clothes, faith, mythology and religion are at the core of this programme. The activities also included lecture series by professors and experts, visits to various historical landmarks in Delhi and Agra along with comprehensive group project sessions. The hallmark feature of this exchange programme was sensitizing participants towards embracing socio-cultural diversity and in the process, foster new bonds of friendship.

SRCC-Tsinghua University Indo Chinese Collaborative Programme, 2018 Theme:

The participants from Tsinghua University included 14 students and two faculty members - Chen Hongxin and Yuan Huina.

SRCC - Harvard US India Initiative Collaborative Programme ,2018

This year, Office of International Programme(OIP), SRCC was the Official Outreach Partner of the Harvard College, US-India Initiative(HUII)2018 held within the grandeur of the chambers of ITC Maurya Hotel, New Delhi on January 6&7th, 2018.

SRCC- Surrey Indo UK Collaborative Programme

SRCC Surrey Indo-U.K. Collaborative programme was organised on 7th November, 2017 where 45 students participated. The program was organised on the theme of business economics and tourism.

SRCC-University of Wolverhampton Indo UK Collaborative Programme, 2017;

A three-days exchange programme was organised, jointly by SRCC and GoIndia Initiative, in SRCC from 08th to 10th September 2017 on the theme 'Empowerment through Education'.

SRCC-Ministry of Youth and Affairs (MoY) Exchange Programme

The Indian Youth Delegation visited Portugal from 29 January 2018 to 2 February 2018. The delegation consisted of 8 youth participants from diverse backgrounds and two officials.

International Conferences & Events

International Conference on Advances in Business and Information Technology & Doctoral Colloquium held in Kigali, Rwanda (Africa) on March 1-2, 2017

With a vision to promote global knowledge sharing and exchange of ideas Shri Ram College of Commerce in collaboration with University of Kigali, Rwanda and Namibia University of Science and Technology, Namibia organised a two days International Conference on Advances in Business and Information Technology & Doctoral Colloquium at Kigali, Rwanda (Africa) on March 1-2, 2017. Singapore & London SRites Reconnect Programmes

The International Programmes took the initiative to bring together SRites at Singapore at a unique reconnect function on June 2, 2014 at Mughal Mahal. Over 50 alumni participated.

PUBLICATIONS & FESTIVALS

Business Analyst

Business Analyst is the College's bi-annual research journal circulated widely within academia and industry, seeking to promote research in the fields of business and economics and encourage empirical and inductive writings.

Global Edge

The GBO Students' Journal showcase the potential of the young scholars and future business leaders from SRCC-GBO. It is conceived as a platform to articulate creative ideas and innovations that can "make a difference"!

Yamuna

The College magazine Yamuna is brought out annually. With an inheritance of 84 years, it continues to provide students with an excellent platform for the expression of their creativity both in Hindi and English.

Student's Festivals

Winter Festival

"Crossroads," the spring festival, is one of the most popular students' festivals in the University. Spread over a few days in February-March, enthusiastic students come from all over and participate in a variety of events. The festival not only provides a sense of togetherness but also tests organizing skills of the students.

SRCC BUSINESS CONCLAVE

The year 2017 experienced the 9th edition of SRCC Business Conclave: Annual National Management Festival from 7th-9th February 2017s.

GBO organised Fiz Tzu which was first of its kind. In Treasury Bill auction simulation the teams had to step into the shoes of the banks and strategise their funds to accumulate best returns on the capital employed. The event saw an exceptional response with participation by over 80 teams across India. Students from colleges like IMT Ghaziabad, IIM Rohtak, FMS, Christ University, SSCBS, Fore, IMI etc raced for the on-campus round which was bagged by six best performing teams. The participants were impressed with the novelty of the event organized. In a nutshell, the event was deemed a great effort.

GBO also organised a 2 round Financial Case Study competition Ace-the-case which had an amazing participation from B-Schools as well as undergraduate colleges pan India. There were entries from IIM-I, IIM-Rohtak, Fore School of Management, IIT-D, IIT-K, IIT- Roorkee, ASM, Christ University, St. Xavier's et al. out of which six teams could carve a niche out for themselves for the Final round which was presented to the Jury on campus.

The event experienced an impressive participation from the various teams and it was a good learning opportunity for each one.

CENTRE FOR PROFESSIONAL DEVELOPMENT – Enable, Inspire, & Transform

Inception of Centre for Professional Development (CPD) was driven by growing realization that solutions to adaptive challenges lie in mobilizing individuals to continuously expand their repertoire of relevant skill set and knowledge base to remain productive in the present competitive world. At CPD, we focus on nurturing and developing human capital, which in turn is of paramount importance to any organisation. Centre for Professional Development (CPD), a dedicated platform for enhancing knowledge and skill set of students in variety of disciplines such as Finance, Marketing, Research Methods, Strategy, Self-Development, and Human Resource Management.

CPD's flagship programmes are certified courses designed for business executives and students respectively, which provides them a unique opportunity to become part of a learning community of highly experienced subject matter experts, academicians and corporate leaders and take their skill to the next level. It is particularly designed for budding leaders who wish to refine their business acumen and accelerate their professional development.

Some of the unique features of CPD courses include:

1. Lectures cum discussions designed to enable, inspire and transform participants by providing cutting edge management research in a variety of specializations
2. Interactive case studies based on real-life business challenges and dilemmas
3. Experiential & group oriented learning that gives participants to learn from experience and expertise of self & others.
4. Personalized career/professional counseling and personality assessment sessions
5. Simulation exercises & role plays to hone your skills in a non-threatening environment

ELEVATION MAP OF SRCC

SRCC is situated in the North Delhi Campus of the University of Delhi.

It is approximately 25 kms from the Airport, about 10 kms from the New Delhi Railway Station and 5 kms from Old Delhi Railway Station.

With economic liberalization and globalization, India has emerged as an integral part of the world economy. Many Indian corporations now operate abroad and several MNCs have Indian set-ups. This has created a strong demand for well-educated professionals who can go beyond managing needs of domestic business and work effectively and efficiently in differing and continually changing international environment. As a consequence, knowledge of international business operations is now an essential component in the corporate sector.

The Global Business Operations (GBO) Programme is designed to provide a thorough knowledge of global business with emphasis on the implications of international business and the specialisation required in carrying out business activities across national frontiers.

The unique pedagogy of Global Business Operations Programme (GBO) rests in making transfer of knowledge a two way process, where students are encouraged to actively participate in their learning rather than being passive recipients of course content. Our teaching philosophy is committed to preparing students to face real world challenges and we aspire to achieve this by through our participatory learning exercises and group activities. Not only these exercises mirror the complex decisions that managers have to make and strive to provide them with the required skill set to survive in the extremely competitive business environment of the modern world. What is more, these activities are as much fun as they are educational in nature! Some such teaching methods central to our programme include: Case Studies, Simulation Games, Collective Group Exercises & Experiential Exercises
