Department of Commerce

Department of Commerce, formally set up as a separate entity in 1967, has imbibed the Delhi School of Economics tradition of exploring new frontiers of knowledge and innovation in academics. In its history spanning over three decades, it has redefined commerce education in the country. The Department has the legitimate claim and pride of being the premier institution in India for course curriculum development, teaching and research in Commerce discipline.

In addition to the traditional M. Phil., Ph.D., and flagship M.Com. programme, Department of Commerce initiated two master degree level professional programmes, Master of International Business (MIB) and Master of Human Resource and Organizational Development (MHROD) as a response to market imperatives in 1995. In this span of nearly twenty years, these two programmes have come to be recognised as well-regarded Master's programme in business administration in the country.

Institute of

Life Long Learning

The Institute of Lifelong Learning (ILLL) is dedicated to the cause of those who believe that learning is neither age-bound nor classroom-bound; rather it takes place throughout life in all kinds of situations. The Institute has been striving to develop state-of-the-art infrastructure to help Delhi University's teaching faculty, administrative staff and students in capacity building for ICT skills. ILLL is continuously expanding the horizons towards achieving excellence in higher education.

The Institute of Lifelong Learning is a nodal agency for creation and uploading of e- content for Undergraduate Students (UG) of the University of Delhi. The endeavor is an attempt to provide additional quality e-learning resources for students in the form of e-lessons, e- lectures videos, e-labs and e-quizzes for students enrolled in UG courses. Rich academic engagements at ILLL are the outcome of collective efforts of the academic community at University of Delhi. The institute is committed to provide multiple pathways for lifelong learning and increased opportunities of access, equality and inclusion.

Shri Ram College of Commerce

The Shri Ram College of Commerce, the first specialized college for imparting business education in the University of Delhi, was established in 1926 as the Commerce College by Sir Shri Ram at Daryaganj in the walled city of Delhi. Later, on the occasion of its Silver Jubilee in 1951, the Commerce College was rechristened as the Shri Ram College of Commerce and shifted to its present sprawling campus in the heart of the University precincts in 1954.

The College runs Undergraduate and Postgraduate programs under the aegis of the University of Delhi. The College building has been accorded the esteemed status of a 'Heritage Building' by the Archeological Survey of India.

The spectrum of activities and interactions with eminent personalities from diverse fields such as politics, business, media, bureaucracy, entertainment and sports makes learning at SRCC a comprehensive experience.

About the Programme

The National Education Policy 2020 (NEP) has been formulated to harness full human potential and develop well-rounded competent individuals by providing the right environment to enable access to inclusive and equitable quality education. Such education should have provision for lifelong learning, awareness of new areas of knowledge, skilling to meet industrial demands for economic development, multidisciplinary studies to develop a comprehensive view of issues from a realistic paradigm, holistic approach to education, rootedness to the cultural ethos and moral values, cultivating scientific temperament and problem-solving attitude. The policy also focuses on promoting critical thinking, innovation and creativity to enable the use and promotion of higher order thinking skills.

This One-week Online Short-Term Programme (STP) being jointly organised by the Department of Commerce (DOC); Institute of Life Long Learning (ILLL); and Shri Ram College of Commerce (SRCC), University of Delhi is a sincere step to bring the desired transformation in higher education by familiarising the participants with astonishing breadth and depth of the Indian scientific and knowledge tradition. Covering varied range of topics such as; Importance of Ancient Knowledge, Mind Management, Traditional Mercantile Trade, Public Administration & Governance, Mighty Management Minds of India, Health, Wellness & Psychology along with covering the journey of Indian Knowledge System from awareness to its application among others.
