Dear All,

This is the 7<sup>th</sup> year of the Anjani Mashelkar Inclusive Innovation Award that I had set up in the memory of my late mother, who always persuaded me to use science for the benefit of the poor. We have had great winners in the previous years, more information is available at - <http://award.ilcindia.org/>

I will deeply appreciate any help in getting this message to potentially deserving candidates.

CST

Warm regards,  
R. A. Mashelkar

## 7th ANJANI MASHELKAR INCLUSIVE INNOVATION AWARD

*We need inclusive innovation, that is not merely 'best' practice but 'next' practice.  
True inclusive innovation should bring a smile on the face of each citizen of the  
world, not just a privileged few - Dr. R. A. Mashelkar*

This is an annual award of Rs. 100,000 given to an individual or an organisation for an idea, prototype or a commercialized product, service and business model. The innovation must address the problems of the resource-poor people in India (including the elderly) and offer an original and implementable solution.
