## NOTICE

Every year, the College witnesses a large number of programmes and fests organized by various students' societies. In these events, the dignitaries so invited are presented with bouquets and mementos. On the recommendations of College's **Centre for Green Initiatives**, it is hereby notified that in lieu of bouquets and mementos, a token of remembrance in form of saplings in beautified china-clay or decorated earthen pots be presented to the invited guests in all events held in the College.

Faculty advisors and student in-charges are hereby called upon to support this environment friendly initiative in the upcoming events.
