## TERMS & CONDITIONS

1. **Scope of Work:** Primary objective of the security audit exercise is to identify major vulnerabilities of the SRCC website ([www.srcc.edu](http://www.srcc.edu) and sub-domain(online.srcc.edu)) from internal and external threats. Once the threats are identified and reported, the auditors should also suggest acceptable and possible remedies.

The auditor is expected to carry out an assessment of the vulnerabilities, threats and risk that exist in the above cited SRCC website through Internet Vulnerability Assessment and Penetration Testing. This will include identifying remedial solutions and recommendations for implementation of the same to mitigate all identified risks, with the objective of enhancing the security of the website. The audit of website should be conducted in conformity with NIC audit guidelines.

To ensure that the SRCC website is free from the vulnerabilities, the audit exercise will need to undertake the following activities:

1. Identify the security vulnerabilities, which may be discovered during the security audit including Cross-site Scripting, Broken Links/ Weak Session Management, Buffer Overflows, Forceful browsing, Form/ hidden field manipulation, Command Injection, Insecure use of cryptography, Cookie posting, SQL injection, Server mis-configuration, well known platform vulnerabilities, errors triggering sensitive information, leak etc.
2. Password Policy
3. Log Review, incident response and forensic auditing
4. Integrity Checks
5. Virus Detection
6. Identification and prioritization of various risks to the SRCC website
7. Identify remedial solutions and recommendations for making the SRCC website secure & safe.
8. Any other issue.

**Roles and Responsibilities:** The auditor is responsible to articulate not just the audit tasks, but also the documentation of their activities, reporting their actions etc. and providing necessary guidance to the developer as and when requested during the audit phase.

**Audit Report:** Security Audit Report should clearly state that these web-page(s), including the back-end database and scripts, if any, area free from any vulnerability and malicious code, which could be exploited to compromise and gain.

**Deliverables and Audit Reports:** The selected auditor will be required to submit the following documents in printed format (2 copies each) after the security audit:

- (a) At Level-1, a detailed report with security status and discovered vulnerabilities weakness and mis-configurations with associated risk levels and recommended actions for risk mitigations.

*Jalun* *per*  
*sh*

- (b) Summary and detailed reports on security risk, vulnerabilities and audit with the necessary counter measures and recommended corrective actions to be undertaken by SRCC.
  - (c) The auditor will submit the final audit report after the remedies/ recommendations are implemented and confirmed with retest.
  - (d) The final security audit certificate for the website ([www.srcc.edu](http://www.srcc.edu) and sub-domain(online.srcc.edu)) should be in compliance with the NIC standards.
  - (e) All deliverables shall be in English language and in A4 size format.
  - (f) The vendor will be required to submit the deliverables as per terms and conditions of this document.
2. **An Earnest Money Deposit (EMD)** of Rs. 15,000/- (Rs. Fifteen Thousand Only) is required to be submitted along with the Bid in the form of Demand Draft / Bankers' Cheque/ Pay Order from any nationalized bank payable at Delhi, drawn in favour of the **Principal, Shri Ram College of Commerce**.

In case the bidder wishes to claim waiver of EMD, necessary certificate from MSME with respect to exemption from payment of EMD is required to be attached with the bid.

EMD of the successful bidder will be released after deposit of Performance Security. In case of unsuccessful bidder, EMD will returned within 30 days from the date of placement of order to the successful bidder. No interest is payable on the EMD. Bids not accompanying the EMD will be summarily rejected.

**EMD is liable to forfeited in the following cases:**

- (a) If the bidder withdraws the bid during the period of validity of the bid.
  - (b) In case of successful bidder, if the bidder fails to accept the award of order based on the offered bid, or fails to furnish required performance security, or fails to honour own quoted prices for the services to be provided.
3. The successful bidder will have to deposit a sum equivalent to 5% of the amount of bid as performance Security to the college before signing the contract in the form of Demand Draft/ Bankers' Cheque/ Pay Order from any nationalized bank payable at Delhi, drawn in favour of the **Principal, Shri Ram College of Commerce**. Performance Security will be released after successful completion of the security audit and submission of the audit certificate. In case of non-performance/ unsatisfactory service, Performance Security is liable to be forfeited as penalty.
4. Registration of the bidder with respect to PAN/GST with relevant statutory/ government department is mandatory and relevant documents to this effect are required to be attached with the bid.
5. The documents required to be provided in support form part of the technical scrutiny of the bidders. **Not providing any document as required, may lead to disqualification of the bid on technical grounds.**
6. The completion of work of security audit shall not take more than 90 days from the date of issue of work order. This includes commencement of initial audit of identified security vulnerabilities along with remedial solutions, fixing those vulnerabilities and issue of final security audit certificate by the successful bidder (auditing firm).

7. Payment will be made only after submission of Security Audit Certificate and Security Assessment Report on completion of the Security Audit. No advance payment shall be made. No claim on account of price escalation/ variation shall be entertained. Payment shall be subject to deduction of TDS and other statutory dues as applicable.
8. If there is any delay beyond the given timeline for completion of Security Audit and submission of Audit Certificate, the successful bidder shall be liable to pay liquidated damage @ 10% of the total cost of work.
9. The successful bidder will conduct the security audit itself and not through any third party or sub-agent or sub-contractor.
10. Bidders should submit the bids strictly in accordance with the terms and conditions stipulated in the tender document.
11. The college reserves the right to reject any or all bids without assigning any reasons thereof.
12. Bids received after last date for submission and Conditional bids are liable to be summarily rejected.
13. Technical bids will be opened first and Financial bids of only those bidders will be opened who qualify according to Technical Bid.
14. The decision of the college shall be final and binding on the bidders.
15. In case disputes or differences arise between the college and the successful bidder pertaining to any matter arising out of, or connected with this agreement, such disputes or differences shall be settled in accordance with the Arbitration and Conciliation Act, 1996. Arbitrator shall be appointed by the Chairman, Governing Body of the college.
