# Principal's Note

In keeping with the vision of Sir Shri Ram, the founder of our college, towards the facilitation of education for girls, The Shri Ram College Of Commerce has been a regular co – educational college since 1957, although the first girl student enrolled way back in on campus was realized in 1995 when The Shri Ram Memorial Girls Hostel was established.

Enjoined with the legacy of the college, the girls hostel promotes academic excellence and responsible community life. A home away from home, the hostel provides a secure environment enabling self-reliance, confidence and sense of social responsibility among the residents. The hostel ethos is one of dedication and sincerity of purpose for oneself and concern and care for others. It is these twin goals of achievement and co- operation that sustain the tradition of the hostel and make the period of residence by the students a meaningful exercise. The hostel is a part of the extended family of the college fraternity and adds a dimension of vigor and dynamism to the academic and extra- curricular ambience of the institution . However, if on-campus residence facility is considered to be a privilege by the student, it is not without the responsibilities that each resident must shoulder, to maintain and carry forward the best tradition of the college as a whole.

Dr. P. C. Jain
