Students' Notice

Clarification about eligibility Criteria for contesting elections

The College Tribunal, in its meeting held on 26, August 2016 (Friday), decided that for the B.A. (H) Eco. Students, the eligibility about minimum marks will be decided by taking together 1st, 2nd and 3rd semester marks in case the results for B.A. (H) Eco. 4th semester doesn't get declared by the evening of 30th August, 2016. Otherwise, all 4 semester marks will be counted for the same.

In case, the result is declared after filling the nomination form and before the list of candidates is published on 02nd September, 2016. The result of all 04 semester will be considered by the Tribunal before finalizing the list.

However; if a Candidate who is ineligible to contest elections on the basis of the aggregate of marks in semesters 1st, 2nd and 3rd and therefore doesn't file nomination due to non-declaration of result of 04th semester, subsequently becomes eligible after declaration of result, after the last date of filling the nomination, will not be allowed to file nomination.

The second year students can determine their equivalent eligibility of minimum marks by multiplying their grade points by a multiplier factor of 9.5.
